Insightful reviews

Pauline: J'ai passé un bon moment avec ce livre

Je l'ai lu d'une traite mais malgré tout je trouve qu'il manquait de piquant. Il me manquait ce petit truc qui vous donne le frisson pendant la lecture.

Sinon l'histoire est sympa même si la résolution est trop rapide. Le plus gros problème ici est que tout est superficiel il n'y a aucune profondeur. C'est un bon livre pour passer le temps mais il ne me laissera pas un souvenir impérissable.

Une chose m'a gênée un peu, tant que les héros n'ont pas couché ensemble ils ne se comprennent pas, passent leurs temps à se disputer, elle répète en permanence qu'elle le hait et puis à la minute où ils couchent ensemble d'un seul coup c'est le bonheur parfait et blabla ... J'ai trouvé la coupure entre les deux un peu brusque et ridicule. Et surtout tellement cliché.

Jen Warren: This isn't one of Lindsey's best. Though I don't mind forgiving certain issues in historical romance (namely the hero being an insufferable ass most of the time), I was too put off to appreciate the more positive aspects.

To be fair, it wasn't all Jamie's fault. Sheena was just as inflexible, obnoxious, and quick to condemn. She believed he was a monster even after it was patently obvious that he wasn't. She let pride make her decisions for her, and behaved - just generally - like an idiot too much of the time.

But, yeah, Jamie was an ass. A big one.

Blair: This book was just so boring. I really thought I was going to enjoy it but I didn't.

Salena: This used to be one of many infrequent books I struggled to finish. The characters have been flat and annoying. They spent the total publication arguing. Jamie used to be pushed by way of lust and knew totally not anything in regards to the girl he claimed to love. Sheena used to be a closed minded whinge who had not anything yet a fine looking face to move on. The discussion used to be trite. The descriptions have been boring. there have been adequate jarring makes use of of anachronistic language to kill the move every time I controlled to really get right into a scene. And boy used to be this rapey. She's nearly raped two times by way of

aiding characters, after which she will get a place of the outdated marital rape simply because Mr Guy understands she likes his d an excessive amount of to really inform him no.

Chandra: AUTHOR: JOHANNA LINDSEY is a Romance, historic Fiction, fable writer. She writes with a superb stability of plot, dialogue, description of events. challenging to become bored in her books. a steady FEUDING is your ordinary Scottish Highlander fiction plot. not anything new yet an excellent read.SEXUAL EXPLICITNESS: Kisses. the next references: (1) manhood; (11) breasts; (1) thrust; (3) among her legs. That's pretty well it. He secretly sees her splashing water as she bathes status waist-deep in a pool. As a result, he's captured and held within the Fergusson prison. WHAT I LIKED: the 2 get so shut in proximity yet by no means meet. WHAT i didn't LIKE: couldn't the writer have selected to offer him a bit extra spine than he had? Come on now!! supply this ebook (3) stars. simply your usual Scottish Highlander fiction novel yet not anything that makes it fairly stand out. only a sturdy old romance read.

Sarah: It used to be an okay read, perhaps not only what i used to be searching for though. The lead lady(Sheena) has an unreasonable worry of Jamie(lead male), and whereas it does clarify that he's an impressive Laird within the beginning... i feel the e-book could were higher served with a prolong(sp?) that perhaps confirmed him studying his first spouse after which the rumors that started. They finally get to why she is so petrified of him they usually kinda paintings issues out... i'd have beloved it to come back out that it wasn't she yet her brother who allow Jamie free. There simply looks sufficient that i might swap or do different, the plot used to be now not so original, in particular after studying tones of Scottish romance to start with. yet possibly what i actually was once trying to find used to be real background to do with greater than simply feuds. The intercourse used to be simply glanced over. Over all i might keep on with a three perhaps 3.5, yet i am simply no longer seeing this as Johanna's most sensible book.
