Description

Lynne Cheney and Robin Preiss Glasser collaborated on *America: A Patriotic Primer*, which captured the imagination of American children and became a national best-seller. Now they turn their hands to *A is for Abigail: An Almanac of Amazing American Women* and bring the great women of American history to life. Filled to the brim with words and pictures that celebrate the remarkable (although often unmarked) achievements of American women, this is a book to relish and to read again and again.

Mothers, daughters, schoolchildren, generations of families — everyone — will take Abigail Adams's words to heart and "remember the ladies" once they read the stories of these astonishing, astounding, *amazing* American women.

Insightful reviews

Sarah: As a general rule I dislike books that single out a particular group of people. Despite my reservations I was thoroughly impressed with this stellar alphabet book. I love the format and the fact that each and every page is brimming with historical tidbits. A wonderful addition to any classroom library and a great way to get children, both girls and boys, excited about history.

Jana: This is a neat NF resource to have in my classroom library. The picture book celebrates women throughout our nation's history in an ABC book style. It's fun to sit and read through the pages. The pages are so filled with illustrations and information, that at times they seem a bit busy and confusing. But I think kids will enjoy reading it, and it could be a good starting point for research projects.

Title: Cheney, L. & Glasser, R. (2003). *A is for Abigail: An almanac of amazing American women*. New York: Simon & Schuster Books for Young Readers.

Call Number: CT3207 .C48 2003

Reference Type: Almanac

Description: This book uses the alphabet to introduce readers to famous American women for students in elementary school.

Price: \$16.95

Relevance and Relationship: The library does not have many reference books specifically devoted to women. This book would be an interesting addition to the reference collection.

Purpose: The purpose of this book is to provide young female readers with information on famous American women. This book could be used in the library and could be seen on the classroom. The book could provide interesting subjects for individual student research.

Validity: This book is recommended by Booklist Online.

Format: Print.

Arrangement/Presentation: This book is arranged alphabetically with a different female American for each letter. The pages are packed with images that are interesting to young readers, though the pages can seem cluttered at times.

Diversity: Though gender equality is improving, historical literature often neglects showing history from a woman's perspective. This book shows readers specific women who participated in American History.

Donna L Martin: nice booklet for older youngsters (9-11) or simply a person desirous to examine extra approximately powerful woman characters taken from the pages of yank history.

Bea: i've been examining this aloud to my type of first, moment and 3rd graders. We learn a web page an afternoon ahead of lunch - and provides due to the fantastic girls in America's past. i found this e-book whereas trying to find a high quality e-book that pointed out and commemorated ladies who performed major roles in quite a few arenas after my scholars endured to raise the query of "Why are a lot of these well-known [insert job/role name here] all men, Ms. B?" they'd a point, and this has been a superb addition to the school room exercises of learning our past.

Danielle: I keep in mind I learn this whilst i used to be getting to know for a paper I wrote on Abigail Adams. i used to be a major fan of her eighth via ninth grades and that i nonetheless am.
