## Description

A woman hires Aleutian P.I. Kate Shugak to clear her mother's name. Twenty years ago, the mother was convicted of arson and murder, of setting fire to the family home while her two sons were inside. One died, and one was maimed. Her daughter has always believed in her innocence, though the mother herself had accepted the verdict and the life sentence without protest. Now the mother is terminally ill, and her daughter wants her free. But as Kate begins the investigation, it seems the mother isn't the only one who wants to leave the past in the past.

Kate must confront twenty years of secrets and regret--and murder--involving one of Alaska's most powerful families.

## Insightful reviews

Betty: It has been awhile since I read a Kate Shugah mystery and I like this one. Kate is recovering from the last evnts andiving in her new home. She is hired by Charlotte Muravieff to get her Mother out prison. Her Mother was convicted of killing her brother 31years ago. Kate and Mutt return to Anchorage to investigate the matter. Once there Kate encountered poltics in the affair and dead bodies. Many turns occur and Mutt has an important part. The ending is a surprise. I will be reading more of this series

Nancy: A good mystery. I always enjoy Stabenow's books.

Liz: The Kate Shugak series massively appealed to me. She is a moral, if not slightly damaged (aren't we all?!) Native Alaskan woman who solves mysteries around Alaska and has a wolf-dog roommate. I started reading them in Unalaska and continued in Dillingham and still think that anybody who wants to visit Alaska but can't afford the air-fare could get a pretty good tour, not to mention enjoying some well-crafted mystery, by reading these books.

Sue Wargo: this is often # 14 within the sequence of the Shugak books. My secret ebook crew selected this to learn and know about Dana Stabenow. The over all feeling used to be that out of five issues that we gave the ebook a 3.8. The seize for us is that the majority authors giive you again tale in order that in the event you leap into the center of a chain yet this one does not. whereas it really is an interstng plot, you certainly get the impact during the publication that you're fairly lacking key heritage on people, places, and things. i discovered the connection of Kate and her puppy Mutt to be an excellent plot device. I now imagine i must return and skim previous books earlier than i am going forward. I observed a neat piece on YouTube the place Stabenow provides and over view of the full sequence of books in lower than four minutes. it really is shrewdpermanent and funny.

Ed: #14 within the Kate Shugak series. Kate is a local Alaskan dwelling on a dwelling house within the "bush".Alaska PI Kate Shugak is employed by means of famous Anchorage matron Charlotte Muravieff to get her mom out of prison. Victoria Bannister Muravieff used to be

---

convicted, 31 years earlier, of environment the fireplace that killed certainly one of her sons and heavily injured the other. not anyone desires Kate snooping and the physique count number increases. Kate seduces Trooper Jim Chopin in a job reversal for the officer.

June Ahern: A Taint within the Blood through Dana Stabenow used to be a primary time learn for me. From what i have learn this is often one within the sequence of Alaska's deepest Detective Kate Shugak. when you consider that i have no longer learn many books that happen within the Alaskan desert i started the booklet with nice curiosity (plus i admire a mystery). either elements have been satisfied. there have been many plots and issues during this booklet and that i add, loads of intercourse elements too. Ms. Stabenow brings the recent reader up to date from prior tales with Kate's previous resembling the demise of her lover, Jack and his teenager son now followed by means of Kate. i discovered this ok and never too drawn out yet now not crammed in adequate the place I thoroughly understood. yet i used to be in for the secret so I learn on. The intercourse scenes have been too specified and really held no curiosity or intending to the storyline. She is "screwing" a non-committal (she's now not my girlfriend) hunk of a wildness policeman, Jim. Personally, i feel he is kinda a jerk. it is a cop with merits and so they visit it as that. I do not know if the writer was once instructed intercourse sells however it did not anything to develop this mystery. Besides Kate monitoring down the true assassin of seventeen-year-old William Muravieff many a long time ago. His mom Victoria used to be convicted and her in basic terms daughter, Charlotte, hires Kate simply because she is confident her mom is innocent. Victoria has melanoma and Charlotte wishes her mom out ahead of demise thoroughly separates them. there's one other brother, Oliver, who survived the fire. and there is an Uncle, Victoria's brother who's now not very likeable, yet very, very rich. i would wish to percentage more, yet must wade through the entire tales to pick-out precisely the place to begin. The tale has loads of twists and turns and is fascinating with Alaskan prejudices presented. Kate is a spite-fire I ain't afraid kinda wild girl who's additionally a attractiveness that males pant over. And, such a lot characters following her, I simply did not have an immense heartfelt feeling for. yet i used to be in for a secret and each infrequently I had desire and actually was once no longer disillusioned with the top effects therefore the 3 stars. urban of Redemption
