Description

A Writer's Reference is the most widely adopted college handbook ever published. The new edition is available in a classic version that provides more help with academic writing, serves a wider range of multilingual students, and lends more support for college research all in an easy-to-use quick-reference format. Now for all the ways you teach your course, you can choose the classic version or choose from among four additional versions with varied content. *A Writer's Reference with Exercises* is tailor-made for classroom use or for additional grammar practice with 86 integrated exercise sets. *A Writer's Reference with Writing in the Disciplines* provides help for college writing beyond composition with advice and models in six academic disciplines. *A Writer's Reference with Writing about Literature* includes an entire tabbed section on interpreting and writing about works of literature, with two annotated student essays. *A Writer's Reference with Extra Help for ESL Writers* includes an entire tabbed section for nonnative speakers of English; it offers targeted advice and strategies for college writing and research.

Insightful reviews

Jonathan : This book is an English major's best friend. On every paper that I have done I have had to consult this book at some point or another. It is a permanent fixture on my bookshelf.

Serina: *2.5

Randy Tramp: This is a great tool for writers. I found it very useful. I went through the entire book and ear marked some places for use at a later date. This is a reference book I'll use a lot. The book is in sections which make it very useful.

Doug: this is often arms down the easiest reference i have ever used! It covers every thing a author wishes in a simple to find, tabbed system. The replica i've got is a Used condominium from the campus bookstore, yet i am hoping i will be able to find the money for to maintain it as soon as the semester is ended. If i will not come up with the money for it correct away, i'm certainly procuring a brand new one once i've got the money! this article is a Must-Have!

jacky: this can be a moment guide that i used to be required to get a distinct 12 months of college. i exploit this while i want a resource diversified from Little, Brown.

Jeffrey: those reference books are all pretty well the same. i have obvious dozens (publishers constantly ship professors textual content books in hopes they will undertake them for his or her classes) and they are all pretty well the same. significant issues of distinction are completeness and simplicity of use. this can be a sturdy one for that. Besides, Hacker is a classic.
