## Insightful reviews

Arden Miller: i love this series

Carol Tran: Ok, I'm too lazy and worn out to write a summary about this book. So, I'm just gonna do a short little evaluation. The story went from 4 stars and then to 3. As the book progressed, it became two. I understand the conflicts and how realistic they are, but something about it just didn't appeal to me. The fact that the story seemed to lull on with the girls' problems ALL THE TIME made it a bit hard to like. And then the part with sabotaging the Thinner Circle? Mmn...kinda obsessive. The end was a MAJOR FLOP. I can relate with the fact that Mac told her and herself that she had better things to worry about, but the ending could've been much more elaborate, if it was, I would've enjoyed it much more.

Madeleine: These books are really awesome! i wonder if there will be a 4th one. I hope so! okay so back to the book, this book is about them almost famous!

Danielle: i am hoping it really is nearly as good because the final booklet

Hanna: i do not like that Ruby type of won. It bothers me yet i'll learn the remainder of the series.

Lauren: This booklet is awesome! at the 3rd one now!
