Description

Quaestor Vexatius Sinustitis, who is about to expose the Roman governor's creative accountancy, has been poisoned. Can Getafix brew an antidote? Only if Asterix and Obelix find a certain flower for the druid's potion in Helvetia. What with bank safes, cuckoo hourglasses, yodelling and holes in the cheese, they're soon on a real Helvetian roll.

Insightful reviews

Bruce: [Asterix in Switzerland](#) – A&O are off to Helvetia to pluck some much-needed Edelweiss

Andrian Liu: This story is about a governor that is corrupting his country and Rome sent a inspector to look where the money has gone the governor is secretly using the money from the tax and so on for his pleasure. When the inspector came the governor tried to kill him with poison after the inspector drank the poison he felt sick that night and called for the doctors. the doctors cannot cure him so the inspector sent his guard to fetch a druid from a village called the Gaulish village to cure him the guard took the druid home and asked him if he could cure the inspector. The druid said yes but he needs a special ingredient called the silver flower. there are two brave warriors that came with the druid called Asterix and Obelix and the druid told them to go to Switzerland to find the flower. The character i like most in this book is called Asterix because he is cunning and smart. I like to read these books because they give their character funny names like Getafix i think the people from age 6-12 will like this book.

Keko Chezumar: Sejak pertama kali saya baca versi Indonesia dari komik ini, Asterix di Swiss, saya bisa bilang ini adalah salah satu judul favorit dari serial Asterix.

Uderzo dan Goscinny bisa memasukkan unsur-unsur yang sangat-sangat khas Swiss dalam petualangan Asterix dan Obelix mencari bunga Edelweiss yang merupakan bahan penting untuk membuat ramuan yang bisa menyembuhkan seorang auditor Romawi. Danau Jenewa (Lac Le Man), keju, kerahasiaan penuh dalam perbankan, ketepatan waktu, pegunungan dengan puncak bersalju sampai Jenewa sebagai tuan rumah konferensi Internasional ditempatkan dalam konteks yang menunjang kelucuan cerita ini.

Pejabat korup yang gemar memanipulasi uang setoran ke Roma itu akhirnya kena batunya, setelah penawar racun berhasil diramu oleh Panoramix dan diminumkan kepada sang auditor. Tidak ada lagi orgi sang gubernur itu.

Graham: a pleasant effortless begin to part term... Corrupt Romans, the silver celebrity flower, cuckoos, and Swiss vaults all lined with a layer of cheesy fondue (flavoured after all by means of the magic potion) ... Oh, and a unique solution to descend a mountain at speed.

Knut Sigurd: Denne var klart bedre enn eg hugsa.

James Venkatrao: Why i made a decision to learn this book: simply because i take pleasure in analyzing the Asterix series. Which class at the bingo board this publication completes: This publication is going less than your personal CHOICE! This publication is going lower than your individual selection simply because i selected to learn this ebook myself. My favorite quote from this e-book (and why): i'm going to upload this whilst i glance within the ebook simply because i dont have it now. Something new i discovered from this e-book is: It taught me that for those who retain hiding whatever ypu did undesirable from a person it will likely be printed faster or later. A personality or atmosphere during this e-book was once fascinating to me (and why): a personality that used to be fascinating to me was once Asterix simply because even if he loves to have fun, he additionally takes accountability approximately what he does and attempts to not get into undesirable events and he makes use of his brain.
