Description

A provocative nonconformist and an outspoken enemy of all dogma, Miguel de Unamuno (1864-1936) excelled in the creation of essays, fiction, poetry, and plays. In *La tía Tula*, Unamuno paints a memorable portrait of the indomitable Aunt Tula, who fulfills her maternal desires on her own terms.

This dual-language edition features an informative introduction and ample footnotes, making it not only a pleasure to read but also a valuable learning aid for students and teachers of Spanish literature. In the introduction, editor and translator Stanley Appelbaum observes that Unamuno's use of idiomatic wordplay "exploits the special features of the Spanish language. His vocabulary ranges from the colloquial to the highbrow. His language is always fascinating, and his experience and skill as a poet—not only a wordsmith, but a thinker in poetic terms—are evident on each page.

Insightful reviews

Diego Rivera: Los odie a todos.

Mónica: "-Bueno, ¡hay que tener ánimo! Pensad bien, bien, muy bien, lo que hayáis de hacer, pensadlo muy bien... que nunca tengáis que arrepentiros de haber hecho algo y menos de no haberlo hecho... Y si veis que el que queréis se ha caído en una laguna de fango y aunque sea en un pozo negro, en un albañal, echaos a salvarle, aun a riesgo de ahogaros, echaos a salvarle..., que no se ahogue él allí... o ahogaos juntos... en el albañal; servidle de remedio, sí, de remedio...; ¿que morís entre légamo y porquerías?, no importa... Y no podréis ir a salvar al compañero volando sobre el ras del albañal porque no tenemos alas, no, no tenemos alas..., o son alas de gallina, de no volar..., y hasta las alas se mancharían con el fango que salpica el que se ahoga en él... No, no tenemos alas, a lo más de gallina...; no somos ángeles..., lo seremos en la otra vida..., ¡donde no hay fango ni sangre! Fango hay en el Purgatorio, fango ardiente, que quema y limpia..., fango que limpia, sí... En el Purgatorio les queman a los que no quisieron lavarse con fango..., sí, con fango... Les queman con estiércol ardiente..., les lavan con porquería... Es lo último que os digo, no tengáis miedo a la podredumbre... Rogad por mí, y que la Virgen me perdone."

Sebastián Zubia: Se convirtió en una de mis novelas favoritas. Aunque al principio sentía que la narración era demasiado rápida y liviana disfruté mucho de su costumbrismo. La cuestión de avanzar por la historia sin tener en claro de que va, dejándote envolver por el autor.

La prosa es rica, exuberante, exquisita. La tía Tula es un libro para habitar, no es un libro para leer en dos días, al trote, es una obra que se disfruta oración a oración. Para no perder detalle, para comprender todo lo que le sucede a esos personajes.

Gilyan: Hell no.

Alba LG: Unamuno crea questa impressionante donna che rispecchia los angeles società spagnola del XX secolo. Una società che affonda lentamente nei suoi pregiudizi, nel suo

orgoglio, nel suo fanatismo e nelle sue ossessioni.
