## Description

### A Life Taken

Jeanne Dominico's fiancé found her body on her kitchen floor. More than forty stab wounds and blows to her head with a blunt instrument had cut her life short. What monster had struck in the heart of a peaceful New England town?

### A Trust Betrayed

Jeanne was a hard-working single mother. Nicole, her fourteen-year-old daughter was on the honor-roll and head over heels in love--with an eighteen-year-old man she'd known only through the Internet. Once the lovers met in person, Jeanne's motherly instincts sensed trouble. If only she'd known that the life in danger was her own.

### In The Name Of Love

With a history of psychological trouble and family misfortune, Billy Sullivan's obsessive and controlling power over Nicole contributed to the brutal slaying of her mother. But it was Nicole's stunning confession and guilty plea that led to Billy's sensational trial, where a sordid tale of love, loss, betrayal and murder finally took a cold-blooded killer offline--and on line for justice.

## Insightful reviews

Gay: well written true crime account. Disturbing story. Phelps is a good writer. This is not my favorite of his.

?ang?: I just started this book and am reading half of the first chapter.

Because You Loved Me is a case study of different sorts of love, platonic, parental, romantic, and obsessive. It's easy to predict which type will go wrong. The High Queen of the drama queens, Nicole, falls in a twisted sort of love with macho manipulator Billy, and in a matter of days, she is blind to all the good things in her life. Her mom, her friends, her education, her home - Nicole no longer sees value in any of this, and when Billy enters the picture, purely by

chance, her daily existence changes from normal to, in her estimation, a living hell. And suddenly, she cannot fathom how she can possibly live without this guy whom she barely knows. Together, Nicole and Billy make fateful choices that will ensure that they will have to live without each other, forever and ever. What is surprising is that they were so blind to the fact that their actions would have irreversible, devastating consequences.

M. William Phelps is a skilled researcher who knows how to delve for facts and nuances, and page by page, he uncovers the details, delineating the story of this young couple's disastrous obsession from its inception to its miserable conclusion. He approaches this murder from three angles, that of the victim and her fiance, that of the besotted, daughter and her maladjusted suitor, and that of the legal system. This is no mystery story; rather, it is a dissection of the anatomy of a crime committed by two terribly misguided, hysterical teens. It is nothing less than chilling, another example about what can happen when children are improperly parented. Highly recommended

Jennifer : \*SPOILERS\* Nicole Kasinskas and her lover Billy are underage and reside far-off from one another yet they think they're soul mates. while Nicole's mom Jeanne makes a decision that the romance has to finish Nicole pleads together with her to permit Billy come stick with them for one week. Jeanne relents. The enthusiasts come to a decision that mother has to head simply because she is the single factor status within the manner in their being together. whereas Nicole reads within the automobile Billy enters the home and beats Jeanne with a baseball bat. He then stabs her to death. This booklet has stayed in my brain due to the fact that I learn it numerous years ago. It was once a heartbreaking read.

Landon: Nicole Kasinskas met Billy Sullivan online. He was once 18, she was once 14. They fell in "teenage love" even if they lived 1000s of miles away. They vowed to do whatever to be together, and made lengthy journeys for brief visits, and attempted to persuade Nicole's mother, Jeanne Dominico, to permit Nicole to maneuver in with Billy. As any mom of a 14 yr previous would, her reaction was once "absolutely no" you are able to do what you will want if you end up 18, yet for now, you reside her. pushed to desperation, Nicole and Billy plot to kill Jeanne to be able to be together.

Colleen: very well written, nice tale and simple to read.
