Description

A cat book unlike any other: a fresh, fact-filled look at their affections, their aggressions, and their life cycles. Morris explains your cat's most curious habits. Companion volume to **Dogwatching** **Line art throughout.**

Insightful reviews

Dana: I learned some of the logic behind cats. This will theoretically help me get along with my cats better. Although I doubt it.

Landpomeranze: Naja, ein paar Sachen hab ich zwar gelernt über Katzen, aber so eine richtige Offenbarung war das Buch auch wieder nicht.

Kristen Coakley: **Liked it!**

An enjoyable little read. I only wish it had been longer, as I found it to be a little short! A brief overview of cat behavior, anecdotes and history. Catlovers will enjoy.

Street Sharks: attempting to get in those mom fuckers' heads YA HEARD?

Judy Abbott: Çok rahat okunabilen ve evcil kedimizi yakinen tan?mam?z? sa?layan bir kitap. Yeni ?eyler ö?rendim kediler hakk?nda.<http://kitapmuhabbeti.blogspot.com.tr...>

Inés: Libro que encantará a todos los amantes de los gatos. En poco más de cien páginas, el zoólogo y etólogo Desmond Morris responde a las preguntas que siempre hemos podido hacernos sobre nuestras mascotas - ¿cuál es el significado del ronroneo?, ¿por qué tienen las pupilas en forma de raja?, ¿cómo afecta el celo a machos y hembras? - con un lenguaje que todos podemos entender, además de ilustrarnos con una magnífica introducción sobre el papel de nuestro querido amigo en los angeles sociedad desde los albores del mundo. Sin duda alguna lo recomiendo: es un libro bonito y ameno que les dejará con muy buen sabor de boca. ¡Meow! (Yago también que leáis su libro XD).
