Description

The girls are in a higher form now. This year there is the tension of exams for the first time, but there is all the fun of the summer term as well - and the high spirits of a lively and imaginative form of girls.

Insightful reviews

Shreya sharma: this book is really adventures and everyone must read it after all enid was such a great writer
i wanna bcome like her

Marchel: Ah, pesta tengah malam.

Menunya : roti dengan lidah dan slada, telur rebus dengan roti dan mentega, daging rebus, tomat matang, kue jahe, kue pendek (kue apaan yah yg namanya ini???), kue kenari dengan kenarinya hampir menutupi seluruh permukaannya, berbagai macam biskuit, dan roti berlapis selai. *GLEK*

Mbah Enid emang selalu bisa memancing rasa laparku. ^^

Darrell jadi ketua kelas, dan langsung dicopot dari jabatannya sebelum pertengahan semester. Kok bisaaa??? Yah, namanya aja Darrell. Emosi jiwaaa... Matanya selalu menyala ketika melihat June. *kayak apa ya mata yg menyala??*

Gwen sukses membuat dirinya dibawa pulang pada pertengahan semester, untuk kemudian balik 1 hari sebelum ujian dimulai. Jadilah dia terpaksa ujian tanpa persiapan sama sekali. Hahahahaha, akal bulusnya gagal...

Bukan itu saja, Gwen juga kehilangan "Yang Mulia" Clarissa Carter. Dia kirain Clarissa itu anak orang miskin, ga se-level sama dia. Ternyata di akhir semester, Gwen akan dibuat terkejut luar biasa... Duh, ni anak masih aja belum belajar bagaimana caranya berteman.

Alicia sakit campak, dan baru tahu dia bagaimana rasanya harus berpikir dengan otak yang macet...

ERROR SPOTTED

Ga tau nih, salah cetak atau salah terjemahannya. Gw ketik aja deh terjemahannya. Halaman 190 edisi tahun 1984, mulai dari paragraf kedua.

-----SPOILER ALERT !!!-----

Selama ujian itu ia duduk di sebelah Darrel. Dan di saat mereka sedang mengerjakan ujian yang terakhir, tiba-tiba Darrell mendengar sedikit suara di sampingnya. Darrell mengangkat kepala dan berseru terkejut. Alicia tertelungkup di mejanya!

Alicia tertidur. Suhu badannya mulai turun. Ia merasa lebih segar ketika kemudian terbangun.

Otaknya juga mulai bisa bekerja.

"Minggu ini kau tak boleh dikunjungi, Alicia," kata jururawat yang menjaganya. Kau hanya akan berteman dengan pikiranmu sendiri."

Ya, dia hanya akan ditemani pikirannya sendiri. Ia bersyukur karena ternyata ia tidak jadi bodoh. Ia merasa malu kini, karena terlalu sering mengejek anak-anak yang berotak lemah. Ia sedih karena merasa pasti banyak mata ujian yang dikerjakannya dengan tak keruan. Mungkin ia harus mengulang! Sialan!

Lah, kok di ruang ujian tau-tau ada jururawat??? datangnya kapan? Apa Alicia karena tertidur lalu dibawa ke san. (singkatan sanatorium, tempat murid-murid yang sakit dirawat) ? tapi kalo begitu kenapa ga diceritakan Alicia dibawa ke san.? Murid tertidur waktu ujian kan pastilah bikin heboh kelas sewaktu dibawa keluar. Bener2 deh ceritanya jadi nda nyambung..

Mohon maaf untuk Mbah Enid, dan penerjemah buku ini, Djokolelono. Tapi ini opini spontan ^_^ (minus 1 * karena hal ini)

Karthik: This is possibly my least favorite book in the series. Key highlight of this book is introduction of the character June. While she is one of the rare really grey characters in Enid Blyton's black and white world, somehow I found her irritating. Clarissa and the twins who were also introduced in this book were not really too interesting. This book only has merit as part of the series for completeness and not too much by itself.

Shivangi Tiwari: do not get me wrong, i am virtually 24. yet this can be a type of kid's books that no one of any age might help loving! It takes me again to my childhood, leaves me emotional, and that i want pass over Garyling's phrases should be etched in my memory: "One day you are going to depart school, and exit into the area as younger women. you might want to take with you a very good figuring out of many things, and a willingness to simply accept accountability and exhibit yourselves as ladies to be enjoyed and trusted. i don't count number as our successes those that have received scholarships and handed exams, notwithstanding those are great things to do. I count number as our successes those that discover ways to be good-hearted and kind, good and trustable, stable sound girls the realm can lean on." Yep, the little woman in me is sighing with starry eyes correct now. :D

Sue: 'Upper Fourth at Malory Towers' beneficial properties the 12 months during which Darrell and her classmates take the 'school certificate' examination - those books are the right age that they pre-date even O-levels - and are hence not easy at paintings for many of the time.. other than while they're having fun with activities or nighttime feasts.As with such a lot of Enid Blyton's books, the writing is simplistic, with clichés and hugely caricatured characters. but I built such a lot of my early schoolgirl ethics from Enid Blyton. a few humans flip their noses up at her books, giving examples of her terrible writing. yet I'm grateful she wrote so prolifically, and doubt if i'd learn approximately a lot this present day had I no longer began on her books. Malory Towers was once my favorite sequence for lots of years. The ebook is dated, of course; yet - besides the opposite books within the sequence - this makes strong interpreting for fluent

readers of approximately 8 and older... and likewise adults who bear in mind them from their childhood. Three and a part stars will be fairer.

Sara Gonçalves: Mais um livro, mais um ano. A cada novo ano, entram novas alunas, e este não é exceção. Neste livro conhecemos a ilustre Clarisse, um patinho feio que por causa do "ilustre" vai ter a atenção da Benedita Maria, a convencida já nossa conhecida. Esta aluna desta vez vai abusar das suas maldades... e vai levar com as consequências. Já Clarisse revela-se um cisne e uma boa rapariga e encontra amizade em quem menos se esperava. É mais um ano onde as raparigas crescem, amadurecem, mas sem deixar de errar ou fazer as suas partidas. Quer dizer, crescem e amadurecem, quase todas! Há certas e determinadas que continuam na mesma! Um bom livro, sem dúvida.
