Description

Inside burning buildings, Captain Caleb Holt lives by the firefighter's adage: Never leave your partner. Yet at home, in the cooling embers of his marriage, he lives by his own rules. Growing up, his wife Catherine always dreamed of marrying a loving, brave firefighter... just like her father. Now, after seven years of marriage, she wonders when she stopped being "good enough." Countless arguments and anger have them wanting to move on to something with more sparks. As they prepare for divorce, Caleb's father challenges him to commit to a 40-day experiment: "The Love Dare." Wondering if it's even worth the effort, Caleb agrees, for his father's sake more than for his marriage. Surprised by what he discovers about the meaning of love, Caleb realizes that his wife and marriage are worth fighting for. His job is to rescue others. Now Captain Holt is ready to face his toughest job ever... rescuing his wife's heart. Based on the screenplay by Alex and Stephen Kendrick, this audio version of the *Fireproof* novel includes subplots, characters, and back story not included in the movie.

Insightful reviews

Debbie: This book is a Christian Romance novel, though it's not typical of the category. The romance is portrayed accurate to real life and is mainly from the male point-of-view. I think men would find the book as interesting as women would.

The book isn't terribly preachy and is more a "this character happens to become a Christian" than a "listen up, readers--if you aren't Christian, you ought to be and here's how!" Unless you are vehemently anti-Christian, the Christian content probably won't annoy you.

Because the novel is based on a movie, the novel isn't as deep as it could be. However, it's a lot better than I expected. The pacing was very good. The world-building (of the fire house and hospital) was good. The main characters were interesting. They acted and changed in realistic ways. This book is about loving when the other person rejects you and acknowledges that repairing a broken marriage isn't an easy deal.

Kylie Thelen: [Fireproof Eric Wilson](#)

This book is about a struggling marriage where the wife, Catherine Holt, wants their marriage to survive whereas her husband, Caleb Holt, doesn't even mind the fact of losing the love of his life. Caleb Holt is a firefighter who saves citizens' lives everyday, but he doesn't even notice the fact that his marriage needs saving. Caleb receives a book from his father which teaches him how to be a more loving spouse and changes his life forever. I enjoyed the romance and all the relations to faith and would recommend this book for anyone who enjoys reading faith based novels or needs strengthening in their marriage.

Elisha: I loved this book. A super easy read that made me realize how good my relationship with my fiance already is. Possibly, because of us meeting later in life, or because we appreciate and respect each other so much. Either way, this is a good one to keep on the shelf for reference and to share with your significant other.

John: This ebook teaches you the significance of maintaining on and doing what's correct even though it will be tremendous hard. if you would like inspiration or support with any challenge on your lifestyles be sure to decide up a duplicate of this booklet and get reading....

Hark Herald Sarmiento: this can be a first-class e-book indeed. not just it is helping shop marriage on the verge of collapse of divorce, it additionally offers easy methods to make it stronger... Everybody, together with those that are usually not in a wedding relationship, can relate to the teachings it brings...This will kinda be a spoiler yet a minimum of you've a glimpse of the contents..."You by no means go away your partner! specifically in a fire!"Caleb Holt: Marriage is not fireproof. Michael Simmons: Fireproof does not imply the hearth won't ever come. It capability whilst the fireplace comes that you'll be capable of stand up to it."Well these are for marriage... as for friendship, or loving God, or salvation, or faith??? take this:"Caleb Holt: I care approximately people. i'm these things. John Holt: Sometimes. yet have you ever enjoyed God? the one that gave you life? His criteria are so high, He considers hatred to be murder, and lust to be adultery. Caleb Holt: Dad, what approximately the entire solid i have done? John Holt: Son, saving anyone from a fireplace does not make you correct with God. you have damaged His commandments. And one day, you are going to solution to Him for that."God really is the basis of each relationship... of everybody.

Wendy: i assumed this used to be only a novel a couple of firefighter while I picked it up, and purely as I received good into it did I discover it is truly Christian fiction, which I typically stay away from just like the plague. The publication used to be certainly a narrative of a most sensible flight firefighter, having difficulty in his marriage, and the problem his father units to him to aim to fix things out earlier than he pulls the plug and records for divorce. whereas the "Love Dare" relies in Christian theology, the message it sends, approximately easy methods to particularly look after and deal with your associate well, is universal. the method it introduces also needs to be universal, yet someway we have misplaced song of those basics.You wouldn't have to think in Jesus to gain that the recommendation given is obviously excellent - and also you should not have to even think in God. it is so very important that allows you to settle for a message anyplace it comes from if the purpose is valid. Edit the theology to fit as needed.At the tip of the day, Fireproof is particularly a lot a love tale - and a story of wish should you are in bothered relationships, entire with a blueprint for a way to deal with your matters together, whether just one celebration is keen to truly do anything. i used to be so moved via the whole lot that i really got the affection Dare itself. Which i have not but entire since it used to be too painful at the heels of a nasty breakup of my own, yet i'm going to finally get to it. the fact is that the stairs brought should be used to heal any stricken relationship, with adjustments - and be used as a advisor for ensuring the subsequent one you get into does not get into hassle to begin with.
