## Description

He sleeps late and wakes up grouchy. He hates joggers, beats up dogs, and shreds his owner. He's cynical, witty, urbane, and sometimes downright mean. But best of all, he's back, better than ever, to delight cat-lovers and cat-haters alike.

## Insightful reviews

Linda: Just finished the second Garfield book. I am making my way through them again. It has been a long time since I read the series so I decided to go through them again. That is the great thing about working at a library, most or all of the series is readily available!

Robert: When I was in third grade this was the best. book. ever.

It still might be.

Garfield is a cat.

And he is fat.

Whoah . . . awesome.

Galinda: I read all of Jim Davis's Garfield books back in 4th grade where every week I would take out another Garfield cartoon book and just read it. I thought that they were funny and hilarious, and I absolutely loved reading them. Garfield is just so sarcastic and funny, and I love that it was in cartoon form.

To this day Garfield is still one of my favorites.

Cameron: the benefit of Garfield is that i will be able to consistently expect it for a great laugh. Jim Davis does an excellent activity of constructing all of his Garfield books a priceless read, and this one is not any exception.

Jason Bradshaw: Bad. simply bad.
