## Description

PJ Sugar receives shocking news that she's inherited the Kellogg family mansion. Though she has no idea why, the timing is perfect—PJ has clearly worn out her welcome at her sister's house. Unfortunately, the mansion is in shambles, and PJ is short on cash. Rescue comes in the form of Max Smith, a mysterious handyman willing to trade his services for PJ's investigative skills. But PJ already has a full docket with cramming for her PI license and nurturing a growing romance with her boss, Jeremy Kane. Can she take on Max's case without dropping the ball?

## Insightful reviews

Melissa: Oh how I love reading PJ and Jeremy's story! I am going to miss them. This is the third and final book in the PJ Sugar series, and I am so sad. The character development was great. Trying to solve the crimes before the end had me guessing. Loved the book. Really loved the series.

Cathy Daniel: Good series overall. I'm just not a fan of love triangles and that got old towards the end for me. I also really have a pet peeve for Christian romances that have the man kissing the heroine a lot without committing to a relationship or even dating! But he's kissing her and getting jealous. Any man of the world can act like that and any romance can be read like that. I kinda expect more from a Christian romance.

Laura: Title: LICENSED FOR TROUBLE

Author: Susan May Warren

Publisher: Tyndale Fiction

August 2010

ISBN: 978-1-4143-1314-8

Genre: Inspirational/contemporary

PJ Sugar is still out to prove herself as a PI, and still trying to figure out where she fits in the world. Since her sister, Connie, kicked her out of the house, PJ has been sleeping on the couch at Jeremy's office, but he is suggesting that it might be time for her to find someplace else to sleep. But then a lawyer shows up, sharing that PJ is the sole beneficiary of the Kellogg family fortune.

Okay, never mind that there is barely enough money to pay the real estate taxes, or that the sewage has backed up, or that there isn't any electric, or that the mansion is virtually falling down, at least it will be a roof over her head. And a fully stocked library begging to be read. And a box full of the personal affects of one--PJ Kellogg.

Then a man who calls himself Max Smith shows up, promising to do handiwork in exchange for PJ finding him. Max has amnesia and washed up on the beach outside of the Kellogg mansion as naked as a baby, with no recollection how he even got there. What can a wannabe PI do, except take the case?

---

LICENSED FOR TROUBLE is the third book in the PJ Sugar series by Susan May Warren. Readers will want to read the first two books in this series before starting this book as they all tie in together.

I enjoyed reading more about PJ and her dilemma about which man is right for her—Boone, the local police officer and voice from PJ's past, or Jeremy, her boss. Plus having not one, but two mysteries in this fun story, really helped keep the pages turning. I did figure out some of the pieces easier than others in the cases they were investigating, but some of the parts I didn't figure out until the very end. Susan May Warren has crafted another winner. Don't miss LICENSED FOR TROUBLE or any of Ms. Warren's books.

Nora St Laurent: I'm so grateful to have got a overview replica of approved for Trouble, that's the ultimate installment of this fun, a laugh series. during this final book, PJ remains to be practising changing into a personal Investigator. The reader learns if PJ will eventually choose among Boone, her highschool candy heart, or Jeremy, her boss within the inner most eye agency, as her boyfriend, or if she dumps them both. I didn't imagine PJ could ever make up her brain - Susan might Warren stored us guessing all through all 3 books. I favored the concept approach the writer takes PJ on whereas uncovering her genuine feelings, knowing what God wishes and what's top for her life. PJ learns how she will be able to hear for the mild voice of God talking to her heart. I loved the non secular thread all through all 3 books; it was once actual and never preachy. P.J. uncovers a few lies she believes approximately herself and realizes that if she holds onto those lies, she'll by no means be all that God meant for her to be. Dare she think the subsequent issues approximately herself? She was once selected by way of God. Royal. A ownership of God. Heiress, Beloved. Princess. Isn't that what Jeremy referred to as her? Can PJ stroll out who she is in Christ? She hadn't thought of this achievable and it's an important revelation for her. I liked how the writer additionally enable the reader take into consideration this strong message and confidently examine from PJ's journey, too. Susan may well Warren's publication is entertaining, fun, thought-provoking, mysterious, giggle out-loud humorous in parts, gentle hearted, and has a large choice of quirky characters I loved studying about. PJ's sister reveals Max, the handyman, to assist PJ repair up a home that was once given to her. PJ meets Max and comes to a decision that they could aid every one other. She is feeling crushed by way of the duty of renovating this extraordinary previous apartment and Max is a handyman who has amnesia and seeks his identity. He says to PJ, "You ever felt such as you don't be aware of yourself? Like if you happen to glance within the mirror, you ask yourself the way you bought here, the way you turned the individual you are?" PJ can absolutely relate to Max and hasn't misplaced her memory. She used to be attempting to work out the place she slot in daily and what God sought after her to do. PJ used to be followed and not felt like she used to be completely part of the Sugar family. Will she work out who she is and the place she belongs? i actually loved this unique novel. It was once greater than a bubble bath. It whisked me up into PJ's mystery, with the joys and interesting proof she exposed concerning the condo and Max. I beloved the religious thread and fight PJ encountered in the course of the process this book. It's a clash so much people may possibly relate to. i used to be interested and loved the case PJ attempts to get to the ground of, in her look for Max's earlier and her makes an attempt at catching the bail jumper. i must say, I loved each minute of interpreting approved for

Trouble. Susan may possibly Warren gave a really pleasant end to this fairly enjoyable, delicate and likeable PJ Sugar series. I'll certainly be studying extra of her books within the future. Disclosure of fabric Connection: I acquired a complimentary reproduction of this e-book from the publisher. I used to be no longer required to jot down a good review. The critiques I've got expressed are my own. I'm disclosing this based on the Federal alternate Commission's sixteen CFR, half 255 "Guides in regards to the Use of Endorsements and Testimonials in Advertising" Nora St. Laurent The ebook membership community [www.bookfun.org](http://www.bookfun.org) The ebook membership community [www.psalm516.blogspot.com](http://www.psalm516.blogspot.com) e-book enjoyable journal [www.bookfunmagazine.com](http://www.bookfunmagazine.com)

Alyssa: secret and romance. heroes after the guts of 1 heroine. a couple of villan after her. An "inspirational" that used to be truly beautiful good! this is often the 3rd within the series, I did not learn that first two, simply picked this one up and read. I used to be lovely inspired and should most likely learn extra of her books.

Barbara: PJ Sugar has been defined because the "wholesome" model of the best-selling Stephanie Plum series, by way of Janet Evanovich. this can be the second one or 3rd book, and it's totally funny, wholesome, and has an honest secret to boot. PJ Sugar is a wannabe deepest investigator who's operating with Jeremy Kane, who might or would possibly not turn into her boyfriend through book's end. She remains to be pining for policeman Boone Buckam before everything of the book, and Warren does an outstanding activity establishing and developing this occasionally uncomfortable romantic triangle. Sugar has it sounds as if inherited the "Kellogg relatives fortune", which is composed of a million-dollar domestic in shambles. Sugar is followed and wonders if she's particularly a Kellogg, which ends up in a subplot of the story. whereas searching through the home to determine what maintenance has to be done, she comes throughout an amnesiac named Max Smith, who asks her to "find [him]." Sugar's makes an attempt to discover the secret of Max's existence (he could be a former POW) lead her to tattoo parlors and skydiving school, between different things. Sugar additionally attempts to capture a bail jumper who is a woman she knew from excessive school. Sugar is significantly likable and friendly, even though her adventures pressure credulity at times. PJ attempts too demanding at times, yet she has a great center and also you wish her to win within the end.
