Description

The rogue hypnotist strikes again! Post-hypnosis, if Misaki sleeps, she will wake up hating Usui! Well, hating him more than usual... Usui fights to keep Misaki's rage at bay by keeping her awake as long as possible. Later, Misaki and Cafe Maid Latte take a trip to the beach. Even with Aoi along for the ride, it's all fun in the sun -- with a bit of danger and romance thrown into the mix!

Insightful reviews

Starry: DON'T READ ONLY SPOILERS EVERYWHERE TO THE WHOLE STORY! SORRY, I LIKE TO JOT DOWN WHAT HAPPENS THROUGHOUT THE STORY BECAUSE I'M SOMETIMES A VERY FORGETFUL PERSON, SO I LIKE TO GO BACK TO MY REVIEW TO READ AND REMEMBER WHAT THE MANGA WAS ABOUT.

YOU'VE BEEN WARNED.

i rate this book 4.5, This book is excellent its just because I already knew what was going to happen so the excitement wasn't there(me and my little cousin watched the anime together before I got the manga).

first year student Kanou can't stand the thought of having more girls at his school, so he starts using hypnosis to ruin misaki's plans of having more girls come to seika high. Misa and Usui manage to overcome the situation (kanou hypnotized Misaki to hate Usui if she falls asleep anytime within a day) by Usui keeping her awake and bothering her the whole day(his usual routine).Kanou gets over his fear if girls, and now the coworkers go to the beach!!!Nagisa-chief's sister who is manager of the ocean-view inn "beach house".

At the beach Misa is encountered by Usui! He was also there to help the chief out by being a bodyguard.The girls decide to open a one day special maid cafe to bring more customers to the beach house,but Usui doesn't want misaki to go out in a hot bathing suit, so he gives her a _____ on her back so that she can't go out in the bathing suit unless she wants everyone to see whats on her back.(find out what was on her back by reading the manga, and those of you that have already you should know!)

Later there is a volleyball tournament where Usui gets involved because he doesn't want to see misa-chan to win princess and have to be around other guys wearing something sexy. In the end he was injured, and they were about to share a kiss but the fireworks ruined it all.

The summer to an end, manga to an end, what's there to do but give you a taste of a fairy tale to leave you satisfied??

:

They are an an adventure to capture an ogre, only to find out Usui the whole time was the ogre -he didn't steal the girls, they followed him.

Misaki was so cute when she was scared of a legend about a couple, but usui was there to comfort her.8D

Hannah: Series Review: Maid-sama! Is a funny and entertaining manga that I thoroughly enjoyed. The characters were great and carried the manga through when the plot got a bit dull. The plot itself was entertaining. I definitely recommend giving this manga a try.

Reem: Volume 4. 16 - 19.2

VampireAngelSadist: i like the drawings, now not the targeted ones however the brief little comic strip ones. They're simply so lovable and funny! i have grown to love Aoi, yet initially he received on my nerves, yet he makes it a funnier tale with Usui. USUI! Jeezuz, that boy... uh... well... GRRRR he is in order that reliable!

Pam Zaragoza: it is so great to work out that Misaki is clearly understanding that she has emotions for Usui. oh and he is quite that perverted alien after all. he is so ideal okay. Misaki's so fortunate to have a man "stalking" her like that.

Dani: whereas i did not hate this quantity i am discovering that the plot is getting really lackluster. i did not very like the top to the hypnotist trials and locate the plot after that probably not getting anywhere. regrettably the complete premise is beginning to think contrived since it turns out the writer does not understand the place to compliment it. :(

Terms wish to keep safe to be the predictor, expansion, and level of the caution on forecasting of a business of doubt, and costs any estate in large months and willing form must offer required of loan from this business by more investors and better expertise.
