Description

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true -- or at least as true as it needs to be.

They were just a soft, ordinary pair of thrift-shop jeans until Jamie Kelly tried them on . . . Then they became a tight, scratchy, slightly smelly, and utterly ordinary pair of thrift-shop jeans with an embarrassing haunting problem. Do the pants have the power to soothe a vengeful beagle, vanquish The Prettiest Girl in the World, or make the wearer irresistible to the eighth cutest guy in the grade? Are the haunted pants so dazzling they can hurt and maybe permanently damage the eyes of onlookers? Or are the haunted pants just, well, haunted (which is kind of gross when you think about it)?

Maolivares: Dear Dumb Diary: My pants are haunted!
By: Jim Benton.

This is the second book of the series Dear Dumb Diary, as you know the main character Jamie Kelly continues writing funny stuff on her diary. On this book appear two new characters; Margaret and Sally: Margaret is an ugly pencil eater, not really popular in her class, Until Jamie and Isabella make her a super makeover that raised her popularity, even beyond Angeline's. But that didn't last too much time. About Sally, she stole Isabella's top secret project, which was a jar full of perfume samples, and she made it for Hudson Rivers, another boy on Jamie's class. Jamie thinks all the bad things that happened to her were fault of a pair of new pants that her mom bought her, that are apparently haunted.

I give this book a rating of 4 stars:

I give this book # stars because it was same as funny as the first one, I liked the way that Jim Benton did this book, I mean, It really sounded like Jamie in the first book. Also the same, the pictures are really funny too; they Kind of help the reader to understand what is going on. I recommend this book same as the first one , both are really good and I cannot wait to read the third one of this series!

Christie: I enjoyed this book more than the first. I feel that this book had more of a story line. The pants were not really pay off the story till the end but I liked the set up to the pants in the story. On to book 3.

Lauren Tappenden: Jamie Kelly is an average middle school student who lets us all have a look into her "dumb diary" however not before warning us that we may get caught by her "surveillance sting". She prides herself on hers and best friend Isabella's mid popularity, although beware Jamie's sharp tongue if you happen to be a pretty popular girl named Angelina.

In the second book of the series we see Jamie's life turned upside down as Isabella claims Jamie's new jeans are haunted. It seems the jeans have caused Margaret (a Gerd or better known as a girl nerd) to become extremely popular, Sally (the cleverest girl in school) to become the object of affection of Hudson Rivers (only the 8th cutest boy in school and Jamie's crush)and Jamie and Isabella's popularity to dispartate even more so. However is it possible that the jeans caused all of these mishaps or was it someone else working away?

Dear dumb diary is a wonderful insight into the lives and minds of school girls today. Through Jamie's diary we discover an overall entertaining story where her descriptions and stories are sometimes wicked or funny but mostly just wickedly funny.

Jamie has a real quirky take on things which is shown through her descriptions on anything that doesn't go her way but also the terrific illustrations. The diary is complete with Jamie's own drawings of how she perceives the situation at hand which really allows the readers to see into her imagination as well as explore her weird concepts (Angeline bathing in money with hot and cold jewels) their selves.

By having the story wrote in diary form allows the reader to follow Jamie's life from day to day. It also shows just how quickly life can change for the youth of today.

This book would appeal to children aged 8 and over. It explores a different way for children to write their own stories by using a diary format, as well as keep them entertained by Jamie's witty stories and allow them to identify with a book they may not have been able to before.

Isabella parker: Summary:Imagine somebody having haunted pants. Jamie Kelly used to be a regular woman with a standard lifestyles till her puppy stinker (her dog) used to be all of the surprising began consuming her pants. Jamie's ally Isabella, used to be kind of lady who explanations trouble, sometimes. Any Jamie eventually received a present from the heavens sitting through her overwhelm Hudson...But one piece of homework and a frightening motion picture ruined it all... Isabella and Jamie went to the mall, with Margaret for a makeover, whereas she was once there Jaimie's mother eventually received Jamie the appropriate pair of denims with the precise colour blue which may make Jamie popular. yet in its place it went absolutely backwards the pants have been undesirable luck!Characters:Jamie Kelly is the most personality of the publication she is now the youngest individual in her family (what she now claims), Jamie is the author of her diary. Jamie's ally Isabella is a bit tom boyish of what humans say, and will get right into a lot of trouble. Hudson is Jamie's weigh down additionally Angeline's crush, Angeline is a wealthy renowned woman who's Jamie's enemy.Jamie's mother is the kind of mom who doesn't comprehend whatever and in addition makes particularly undesirable lasagna. Jamie's dad is the kind of guy who says you glance extraordinary whilst anyone places on technique to of make-up and the individual relatively appears to be like ugly.The

setting: The atmosphere regularly happens at school, simply because that's the place all of the drama happens. one other position is at Jamie's condo simply because that's the place Jamie punishes stinker a lot, and likewise she unearths out her pants are haunted... Conflict: Jamie and her puppy stinker should not getting along, Jamie accuses stinker for consuming up all Jamie's pants, so Jamie comes to a decision to punish her puppy a number of time, like whilst Jamie throws minimize hotdogs out the window, after what stinker. Resolution; The solution within the booklet is that Jamie unearths out that her puppy stinker used to be now not the person who made holes in her pants, it seems that her mother used to be the one that made the holes. My opinion: I enjoyed this booklet and that i can't wait to learn the subsequent one... This publication is awesome!!!! certainly one of my favourite components is whilst she talks approximately why she don't like clowns and it indicates an image of her strolling into room and he or she sees a clown part bare getting ready, plus I don't blame her for no longer liking clowns. My recommendation: I suggest this to 4th grade-8th grader girls, no boys though. I additionally suggest this ebook for those who like magazine books, sketch make think lifestyles stories, and for the folks who just like the dork diaries series. and not pass judgement on a ebook via its cover. I additionally suggest don't cease reading!!!

Karen Huang: A booklet in regards to the girl's existence with a number of humor in it. this can be whilst she watches a film approximately how a girl's pants have been haunted. She then assumes finally the unusual occurrences together with her pants, that when observing the movie, her pants bought scared and have become haunted. this used to be one of many first expensive Dumb Diary books I read, it made me actually need to learn the opposite books. They even made a moment series! i glance ahead to studying the second one series.

Gaby: pricey Dumb Diary: My Pants are Haunted is set a lady named Jamie Kelly and her pal Isabella who try and supply Jamie's lab partner, Margret Parker, a makeover so she will get better at the renowned record and they can glance cooler round her. The makeover works and everyone stares at Margaret in awe. Isabella has a plan to develop into extra renowned through creating a great smelling perfume, yet abruptly the jar is going missing. What do you're thinking that occurs next? learn the booklet to discover out. I loved this ebook a lot. it really is humorous and extremely wonderful to read. it is a brief booklet and is enjoyable to read. i admire this sequence so much. i have been studying this writer for a while. I at the moment have lots of the series. i like to recommend this ebook for everybody. i have loved it and that i understand other folks will too.
