Insightful reviews

Brent McCulley: A masterpiece devotional writer, and excellent evangelist and teacher, Oswald Chambers has become near and dear to so many Christian families with the enduring "My Utmost for His Highest." Arguably the most popular classic devotional of all time, there is a reason why Oswald is read and beloved by so many saints around the world.

Each day is a new topic, with a specific scripture wherein Oswald not only leaves plenty of spiritual milk to drink, but also tons of spiritual meat to chew. Each sentence can be contemplated on forever, and each day's devotional is more than enough not only to grow in knowledge and grace, but to daily turn our affections to our blessed Lord Jesus Christ, the author of our faith.

I read Oswald every day in the morning, before I begin my day; each day Oswald reminds me the importance of picking up the cross, and the sacrifice that we must endure for the sake of gaining Christ. I plan to read this devotional throughout the rest of my life, and can't wait for the day that I can give it to my children.

Chris: This is by far the best daily devotional I've ever read. Every day brings something deep and meaty and somehow always relates to where I'm at that day. This book has helped me tremendously with my daily walk.

Tom: Showing my spiritual immaturity and literary ignorance, I only learned about this masterpiece through working with the Billy Graham Evangelism Association in raising funds for the 1993 Pittsburgh Crusade. What a wonderful time and this was but one of the jewels found during this experience. This is one of the world's great books. Surely one belonging in the "classics" category. It is the all-time "best-seller" among Christian devotionals.

And the story of how Chambers' widow was called and perfectly placed and prepared to publish these powerful daily devotions is illuminating of God's presence in all things. Beyond the Bible, this book and C.S. Lewis "Mere Christianity" have touched my spirit more than others. When read thoughtfully, combined with prayer, and Bible nearby, this wonderful book will "work miracles." Not really, rather it will only lead readers to God's eternal truths and always fresh

promises. Buy several and share them with family and friends you love, and might love knowing about God's love for both of you.

Philip: a superb pal and missionary as soon as urged this paintings to me whilst i used to be yet a teenager. I had by no means heard of it before, yet picked it up with nice vigor. even if Chambers' theology is a piece funky from time to time, he hits the mark extra frequently than not. Chambers has a different perception into the center of guy and applies Scripture to the hearts and reasons of his readers. this isn't a publication in case you wish to learn a bit after which proceed in a existence unchanged by means of the Word. No, this can be a ebook beneficial of these who seek the Scriptures on the way to stroll valuable in their Lord.
