Description

When a fierce windstorm blows away Little Hedgehog's nest, he puts on his winter clothes and sets off for Badger's warm house. On his way, Hedgehog meets his friends, all shivering in the wind and snow. One by one, Hedgehog gives away his cozy mittens, hat, and scarf. But will Little Hedgehog make it through the storm to safety without his warm clothes? A delightful story about sharing with others, with soft flocking wherever Little Hedgehog's mittens, hat and scarf appear.
