Description

The Barnes & Noble Review

Don't you just hate it when you hear about a book by one of your favorite authors and you can't find a copy anywhere? That sort of thing happens all too often with books that came out early in an author's career. That's why Avon has brought out a beautiful reissue of *Only with Your Love*, a passionate romantic adventure that first came out in 1992, before Lisa Kleypas became a *New York Times* bestselling author. Lovely Frenchwoman Celia Vallerand was little more than a bride when her life veered suddenly off course. The ship she and her husband, Philippe (the son of the protagonists of *Only in Your Arms*) were traveling on was boarded by pirates, and even her new husband's connection to a powerful Creole family in New Orleans could not prevent the fierce brigands from casting her wounded husband overboard and claiming her as a prize. In a matter of moments, she became both a widow and a captive -- a gift for Andre Legare, a man notorious for his cruelty even among pirates. Fortunately, Captain Griffin of the privateer *The Vagabond* pays a fortune in ransom for Celia. But, even in Griffin's hands, Celia is still not out of danger. For her handsome rescuer arouses irresistible desires even as fate involves them in a deception that endangers both their lives. *Sue Stone*

Insightful reviews

ies: Hadiah dari Chiko hehehehe.. *gumawooo*

awalnya aku agak sedikit, eeerr gimana ya bahasanya, secara kan Celia itu istrinya Philip n Justin itu kakaknya Philip aw.. agak2 yaaaahh... gitu deh :P
tp ternyata Celia blm diapa2in sama Philip, dia bilang si takut tp dlm hati aku legaa.. kl misalnya sisanya philip kan ngga banget dibaca *dtabok* :P

well, Justin Vallerands kl udah baca buku 1 nya pasti tau lah sifat-sifatnya Justin itu kek apa, mungkin memang bener ya.. Justin itu lebih mirip Max dr yg mereka sadari. pokoknya tipe2 Alpha sejati lah..

Celia, awalnya gw kaga suka banget sama ni cewe hahaha... abis dia lemah gitu, gampang shock trus ya pokoknya cewe abis deh *eeemm.. tp kl gw diculik perompak, liat suami gw mati didepan mata jg bakalan kek gitu kali hmpfh*

pokoknya ya intinya gitu deh, Justin nyelametin Celia pas tau kl dia itu istrinya Dr. Philip Vallerands aka adeknya sendiri. mungkin kr Justin tdk pernah berhadapan dgn perempuan lembut *celia itu cewe abis pokoknya* jadilah dia suka dan tidak bisa menghentikan rasa ketertarikannya ke Celia, meski dia mencoba untuk berbuat Gentle dan tdk menyentuh Celia kan bagaimanapun dia iparan.. tp yeehh.. Justin pun tak kuasa *halah bahasa gw*.
Pokoknya Justin minta bayaran kr telah nyelametin Celia dr si bajak laut jahat itu dgn tubuhnya, Celia ngga mau lau jelas, sama Philip yg suaminya aja dia takut apalagi sama Justin kkwkwkw tp ttp si kejadian juga dan Justin sempet ga percaya kl Celia istri Philip, secara masih V gitu :P

abis itu celia di balikin ke New Orleans, dan yaahh.. celia shock pas tau Justin kakaknya philip

hahahaha.. tp nasi sudah menjadi bubur mo ngapain lagi, toh Justin jg kembali ke laut lagi setelah nganter Celia.

trus tiba2 Justin terluka parah dan hampir buta kr ngadepin si bajak laut jahat *ah gw lupa namanya* pokoknya trus Justin balik ke Perkebunan dan di rawat Celia, Max n Istrinya *gw lupa spelling ini emak tirinya Justin kwkwkw* bingung dong, secara Celia kan benci Justin tp mo ngerawat dia :D

trus ada kapten entah siapa namanya yg cari kapten Griffin aka Justin, dan mo nggantong kepalanya. jadi Max nyaranin biar Justin nyamar jadi Philip toh Philip udah mati kan dan Celia jadi istrinya.

Hingga pas pesta dansa di rumah *lagi2 gw lupa namanya* si bajak laut jahat itu datang dan bilang kl Philip masih idup dan ada ditangannya, dia minta dituker sama Justin. jreng jreng jreng.. seperti apa kelanjutannya? sementara Celia dan Justin sudah saling mencintai satu sama lain tp dimata hukum ttp aja Celia itu istri Philip dan Philip akan kembali..

baca sendiri lah kelanjutannya.. ngga asik kl spoiler, blm lagi penghianatan-penghianatan awak kapalnya Justin, blm lagi si kapten yg mo nangkap Justin aka Kap.Griffin.. seru deh pokoknya...

yg jelas tidak ada manusia yg sempurna, Philip yang selama ini dikenal alim dan bertanggung jawab t-e-r-n-y-a-t-a!!!! *jreng-jreng* udah ah... cape :P

Nonie?serenity2bliss: I guess even the most awesome writer cannot write a winner every single time :P I have never read a Lisa Kleypas book that I don't love or like...until this one.

I always believe that LK's strength is her ability to write wonderful, larger-than-life characters; heroes that you immediately fall in love with, and heroines that you wish you want to be.

Unfortunately, in *Only With Your Love*, not only do I not want to become the heroine, I don't even want to be anywhere near her! She's such a tiresome, ungrateful nuisance and every words that came out of her mouth were toxic. I wish the pirates would just leave her on the boat and blow it to pieces with her on it.

The storyline was alright; there were parts that I love but mostly I don't. I find it dragging a little bit that I kept thinking, when is this story going to end? When I start having such thought, it was not a good sign.

Roub: i liked it very much! 4 me, it was actually the 2nd part of the book dat worked 4 me; dat is when celia reached her in-laws house bcoz thats where they fell in love. the 1st part was horrible. celia was manhandled n abused. in her moment of need (need 4 comfort n kindness), justin raped her !she was sobbing her heart out, weeping 2 death over the death of philip n what did justin do !? he had 2 satisfy his lust. his lust was more important, cud not be denied. i found it disgusting. he himself admitted later in the book dat it was only when she nursed him back from death, dat he fell in love wid her. he was a ruthless n cold bastard. celia changed him wid loving n care n attention. from dat angle, i loved the story. also, in those times rape was a common thing. the book was written crudely as it was then.

Barb : I totally enjoyed this book!!! i have lately long gone again and skim all of Lisa's books that i have never read, that have been many, and i've to assert this tops the record of 1 of the best, if no longer the best, books i have read. I did not like Justin an excessive amount of within the first book, while Strangers Marry (an okay book), simply because he was once egocentric and not anything yet a troublemaker. He replaced in that e-book towards the top and that i got here to love him. i used to be so satisfied to determine merely along with your Love used to be Justin's story. It used to be greater than I was hoping for. It used to be so jam-packed with passion, feeling and discovery, let alone lots of action. At first I wasn't convinced i used to be going to love Celia. She was once a piece wishy washy firstly yet quickly came upon herself with assistance from Justin, who she used to be in a position to be her whole self with, not like with others. I enjoyed how they grew to become each one others different half. they did not appear to be entire with out each one other. They have been precise soulmates, sensing whilst one another used to be close to or in danger. And the vulnerability that Justin confirmed and his deep want of Celia was once heartwrenching! It was once so touching how he had to be aware of and suppose her love. those have been characters that actually touched me with the intensity in their love and should stick with me for an extended time. I beautiful, attractive love story! it is a keeper and one i am certain i'm going to learn persistently again. i will not say sufficient approximately those characters.

Jo: is that this the worst hide on a romance novel ever? experience at the excessive seas, pirates of all colours of evil, homicide and romance and secret and so they placed sodding swans at the cover? Avon advertising and marketing - what have been you sniffing that day? I did not comprehend no matter if I loved the heroine or to not begin with - wishy washy is a good description. Then I thought, may I be any diversified in these situations at the moment in history? most likely not. yet I nonetheless may possibly by no means hook up with her. We easily like our heroines a section more durable within the 2010s and i am shocked we did not within the early Nineties whilst this was once published. She will get more desirable - the operation is a nifty little bit of paintings - yet another way she's nonetheless a girl with not anything to provide us, bar a person who calls for a number of rescues by way of the hero. If lets have skipped the rape, the hero may were a real dark, horny anti-hero, yet he did not so even if he was once redeemed in the course of the love of a superb woman, we by no means actually forgive him, regardless of him being via some distance the main attention-grabbing character. I'm hoping i have learn the worst of the Kleypas backlist and others might be as pleasant as her newer books. you can't fault any of her books for evocative descriptions, plausible discussion or stable writer craftsmanship, yet there are greater books than this.

Lynsey A: This one wasn't nearly as good as i assumed it used to be going to be yet nonetheless an exceptional book. It looked as if it would me that Justin and Celia enjoyed one another so abruptly after it appeared like they have been simply fighting. It wasn't slow yet abruptly simply "there." The finishing used to be a section surprising. i did not see that coming. I locate that i love her more moderen stuff best. it really is remarkable to work out how a author alterations over the years. a few recuperate and a few appear to slide. Lisa has certainly more suitable in her writing given that she first begun writing.
