Description

Albert Einstein, among the greatest scientists of all time, was also a man of profound thought and deeply humane feelings. His collected essays offer a fascinating and moving look at one of the twentieth century's leading minds.

Covering a fifteen year period from 1934 to 1950, the contents of this book have been drawn from Einstein's articles, addresses, letters and assorted papers. Through his words, you can understand the man and gain his insight on social, religious, and educational issues.

Insightful reviews

Xiaojuan Wang: Solute to the one of the greatest scientists in the world! I was overwhelmed by the strong logic underlying every essay. Not only the inspiring ideas on science, education religion,etc., but also the writing style are worth studying!!!

Beth: Interesting

Just Me: I really enjoyed this book. What an inspiring man! I did skip a few of the chapters on science because they were not of interest to me.

Melissa Hunsberger: This guy's lovely smart.

Steven Harbeck: reliable ebook yet a piece over my head on a few things. He used to be superb and a few of his strategies and calculations with out context and examples are not making experience to me. Very fascinating principles on virtually each topic we are facing as a society.

Danmcgohan: Wow! Albert Einstein's essays on science, economics, society, humans of serious influence, and the Jewish people. could have given the publication 5 stars with the exception of the essays on science, the place my lack of know-how because of eyes to glaze over. the remainder essays are very enlightening, exhibiting the good scope of Einstein's intellect. i discovered a few of his social and financial essays utopian along with his overlook to man's old characteristics. each one of these essays have been written from the past due 30's to early 50's. Time has proven lots of his predictions to be untrue.
