Insightful reviews

Declan: I can't even decide who my favourite character is lol. This one is confused.

Steph: One of my favorite mangas.

Redfox5: Fairly average manga. Was alright but didn't inspire me enough to buy the rest of the books.

Robert J. Roland: it truly is reliable that there giving Yahiko his personal tale yet they could've installed alot extra motion like gave Yahiko a Katsujin-ken a susceptible one yet nonetheless a Katsujin-ken none the less. Plus theyt could've had Yahiko het stabbed in his hand and express that he is nonetheless keen to face up and fight. Make for a extra emotional/heroic ending. except that this used to be an exceptional manga. now not my favourite though.

Jeffrey: This quantity encompasses a aspect tale for a secondary personality that is cute, yet now not extraordinarily substantive, and a chief tale that is basically the plot of each undesirable kung fu motion picture you have ever seen. Still, it is not bad, and that i just like the period.

Nicolás Pinto: Se empieza a poner, "Rurouken". El personaje de Raijuta promete y mucho, veremos como sigue.
