## Description

God asked the biblical Abraham to sacrifice his son. But Abraham Martin's only god is money.

Successful media mogul Abraham Martin has great wealth, an elegant wife, Saralyn, and a rebellious son, Isaac. He also has a secret: a second family that no one knows about. Now, after thirty years--driven by the urging of his long dormant conscience--Abraham is determined to do the right thing by finally bringing his illegitimate children into the light...and into the family fold.

But beautiful, manipulative Saralyn will never accept the proof of her husband's indiscretions. Isaac, the heir, shaken by his father's revelations, will fight mercilessly when his world is threatened, and may lose everything that matters as a result. And while Abraham's forgotten daughter, Deborah, is open to the undreamed-of possibilities suddenly awaiting her, his son, Michael, cannot forgive the man who cruelly abandoned them to near poverty. And he's driven by only one desire: revenge

Angela Benson's "Sins of the Father" is a powerful story of a house bitterly divided--a rich, multilayered family saga of betrayal and redemption, rage and compassion, faith, forgiveness, and ultimately, of love.
