Description

A raging storm slashes across Assateague and Chincoteague islands. Water is everywhere! The wild ponies and the people must battle for their lives.

In the midst of the storm, Misty-the famous mare of Chincoteague-is about to give birth. Paul and Maureen are frantic with worry as the storm rages on... will Misty and her colt survive?

This is the thrilling story of the hurricane that destroyed the wild herds of Assateague, and how strength and love helped rebuild them.

Insightful reviews

Deborah: I feel the same about this book as I did the first in the series. That is, I would've liked it when I was in third grade. Now that I'm older, I don't quite have that same love of horses or ponies. I thought it was a neat story, and it was really interesting to see a children's book that dealt with natural disaster. I love anthropology and so seeing how people (especially in a more historical setting) face tragic and disastrous times has always been really fascinating to me. I still have one more book by Henry to read, but I'm in no hurry to get there.

Diane Fuson: Any story that has horses is a plus for me. Love the adventures that Marguerite Henry writes. The cover is not the same as the 2nd edition of mine from 1970.

Theresa: Goodness a lot of this book is about heartbreaking tragedy. I think when I was younger tragedy didn't affect me as much, because it wasn't real. Now I've lived through a lot and reading it, it feels real. I spent a lot of this book feeling sad.

Out of all that sadness comes Misty's foal who basically saves the day. The children all over the country are so in love with Misty that they find a way to make the money needed to rebuild by sharing Stormy with all of the children.

It takes getting through the storm to get to the good stuff, but it truly is happy in the end. Once again, Marguerite Henry tells me a lot about life.

Darlene Otet: learn this as a child, enjoyed horses!

Kiana Desrosiers: on web page three of Stormy, Misty's Foal. to date it is only describing the atmosphere of the story, and what the room of the barn feels like the place the horses are kept. There's loads of hay, animal droppings, and animals everywhere. It's hot, smelly, and noisy in there. thus far the publication is lovely boring, and the subject of it is only no longer my cup of tea, so i believe I'm going to get a distinct e-book to read.

Raevyn ~I Stand For Jesus~: cherished it. now not my form of book, though.
