Description

HE'LL PLAY BY HER RULES UNTIL SHE FALLS FOR HIM...HOOK, LINE, AND SINKER.

When an anonymous letter stuns shipping magnate and confirmed bachelor Ben Sinclair with the news that he has a teenage son, he's determined to make good on the past. But Emma Sands doesn't trust him. The beautiful, fiery blonde has raised her nephew in the peaceful woods of Maine since he was five, and just because fifteen-year-old Michael is the spitting image of his tall, handsome father doesn't give Ben the right to march in and change their lives forever. Or so she thinks, until his return mysteriously unearths a dangerous small-town secret. With Michael's help, Ben will do whatever it takes to prove to fiercely independent Emma that he can be the fearless protector she never knew she wanted...and the passionate lover she always thought she could resist.

Insightful reviews

Lonestar Mama: This is a new author for me, and I'm so happy I randomly picked this book off the shelf at the library! I ran the gamut of emotions in this book, and I honestly think that's a sign of true talent in an author. I cried in parts, laughed in some, and bit my nails in suspense at others. The characters were so strong and well written, and I absolutely fell in love with the little family they became.

The mystery wasn't too hard to figure out, even for me, and it was definitely secondary to the romance. I thoroughly enjoyed myself with this book, and will definitely be reading more from her!

Rexanna: Great story with strong characters.

Mary: **Another hit for Janet**

Loved this book. Lots of suspense and lots of humor as well as romance. Can't wait for the third book of this series.

Maxine: Um... what's this? I acquired a bit over 1/4 via this e-book prior to I needed to cease reading. Who are those people? What the hell goes on? Who acts like that? And who permits an individual to behave like that? (view spoiler)[Hell, who increases their nephew from an baby after which simply resigns themselves to giving him as much as an entire stranger? (hide spoiler)] This is the 1st Janet Chapman I have ever read, and this ebook doesn't supply me wish for the remainder of her catalogue. Not impressed, and very disappointed.["br"]>["br"]>["br"]>["br"]>["br"]>["br"]>["br"]>["br"]>

Bridget: Ben discovers that he has a son whom he hasn't ever laid eyes on. he's an excellent guy and needs to pay off his as soon as lover, Emma, for all that she has performed for his or her child. Emma is difficult headed and does not wish Ben interrupting their life. whilst a few

secrets and techniques begin to display themselves, Ben is familiar with that it's his accountability to guard his son and the mum of his child. Emma is not too extremely joyful with the assumption at first, yet she quickly learns that there are a few things she cannot do all on her own. I would not say that this is often one among my favourite books however it used to be certainly worthy reading. I may quite relate to Emma which made the booklet loads of fun. I do not know the way she stored Ben at bay for thus lengthy though. I believe I've got a overwhelm on his character.
