## Description

When it comes to Bible translations, readability and reliability are what count; and on both counts, the original JERUSALEM BIBLE stands alone. A product of the age of the Second Vatican Council (1962-1965), THE JERUSALEM BIBLE (published in 1966) was the first truly modern Bible for Catholics. Using definitive original language texts such as the Dead Sea Scrolls, biblical scholars of L'École Biblique in Jerusalem produced a meticulously accurate, wonderfully readable French translation of the complete canon of Scripture (La Bible de Jérusalem). From this French original came the English edition, edited by renowned Bible scholar Alexander Jones.

For all the people around the world who are discovering or revisiting the mysteries contained in the Scriptures, only a clear, understandable Bible translation will do. With language as exquisite but more modern than the King James Version, THE JERUSALEM BIBLE is the one they can trust.

## Insightful reviews

Miriam: "The first truly modern Bible for Catholics."

Translators include... J.R.R. Tolkien? What?

Well, I know what translation of the Bible I'm reading next!

Susan Keraus: First read this, when working with children, at Youth Club. Easy to understand text & a great "read it through" Bible. It does have additional books not included in my other Bibles - interesting!

Keith: This is one of the rare Bibles to make the many sections of poetry into poetry on the page. The Book of Job and much of the prophets are poetry, and poetry plays a key role in the other books as well.

Barnstone's The Restored New Testament does the same. (You can see my review of his book here: <http://www.goodreads.com/review/show/...>) As does Robert Alter's various translations (my reviews are here <http://www.goodreads.com/review/show/...> and here <http://www.goodreads.com/review/show/...> and here <http://www.goodreads.com/review/show/...>).

I won't pretend, however, that I'll ever read this entire book – not all 2,000 plus pages. Here's what I've read so far:

Lamentations \*\*\* (July 2013)

As the title suggests, this is not a happy book, placed amid the dismal prophets and their

whining about god being pissed off because somebody broke some rule somewhere. Due to the wickedness of its own people, Jerusalem has been sacked, it's people driven out. But there are some powerful lines and images:

In my back he has planted his darts,  
The children of his quiver.

Jonah \*\* (July 2013)

Though the most famous fish story in the world, this tale is slight. The fish part of it is, I would bet, less than 800 words. Like the Tower of Babel or the Noah's Ark story, it is a small tale told in a very large work. Their reputation far exceed their literary or moral value.

The story is unremarkable, as is the translation. (Though god is forgiving in this, which is a nice change.) But there really isn't much here. Tolkien supplied the first draft of this translation, though it's hard to say how much survived the group edit.

Dan Mac: via Anonymous?? Please, Larry David didn't write the Bible.

rachel: fairly good. the best books i have ever read, easy.

Cnikola: first-class model for each catholic, very inspiring. Best e-book ever!!!
