Lighting up readers' hearts and imaginations since it was first published in 1942.

Insightful reviews

Nicole: This is a book about a lighthouse. I cried about it.

Ashley: I totally did not tear up at the end of this book. >.>

I envision a lot of little nieces and nephews getting copies of this for birthdays/Christmas.

Earl Baugh: One of my most favorite children's books.
Esp. since it's based on actual buildings.

Devin: i did not comprehend this little kid's booklet gem existed until eventually I examine it because the personality Steve learn it to his niece and nephew and one other baby in a women's fiction novel (Letting Go: The Maryland Shores). it sounds as if it has thrilled readers because the Nineteen Forties and well, it is thrilled me now. i bought it simply because i love lighthouses and intend to provide as a gift. The endearing message is this little purple lighthouse stands at the banks of the Hudson River in long island urban underneath the George Washington Bridge. whilst this behemoth bridge is built, unexpectedly the little lighthouse feels very, very small. He involves learn, however, his position in guiding boats in the course of the storms is vastly necessary. nice for children and adults examining it to them!

Ellie: i admire the truth that this very outdated lighthouse nonetheless stands within the shadow of the nice George Washington Bridge-a bridge whose lighting I grew up seeing from my bed room window with no ever understanding the lighthouse hidden in the back of it. the images are well-done & it inspires a feeling of by some means nostalgic delight in my "hometown" - manhattan City.

Robin: corresponding to V L Burton's "The Little House"
