Description

I knew Edward Monkton was going to be a success when people started e-mailing me daily saying that it touched their hearts, it made them think, and most important, it made them laugh out loud-again and again." --Giles Andreae

* In the tradition of Jonathan Livingston Seagull comes *The Pig of Happiness*-a philosophizing porcine fellow with a penchant for spreading good cheer.

Edward Monkton's philosophical piglet aspires to elevate the spirit and become the *Pig of Happiness*. His happiness is so big it seeps from inside him to all the other pigs and then to all the other animals in the barnyard.

* Monkton, perhaps better known as the U.K.'s top-selling living poet Giles Andreae, pairs a fresh illustrative style with simple yet profound prose to create this modern-day parable.

* Monkton's greeting cards and book titles have been a big hit in the U.K. His gift books are presented to the U.S. market by Andrews McMeel exclusively, while a complementary card line from Sunrise will be introduced in the summer of 2007.
