Insightful reviews

Stacy: Another read aloud. This one I snuck out of the boys room last night after reading chapter five to them so I could finish it on the couch. :)

I really like these books. In this, the fourth book, the three companions are fleeing the burning City of Rats and soon find themselves on the road to Rithmere. Desperately in need of supplies and coin, they travel to the city when they hear that contestants are swarming to the town to win 1.000 pieces of gold in a contest.

With pockets empty, they decide to compete. Winning, it seems is not half the battle though getting out of the blood thirsty down with their coin purses in tact becomes the bigger challenge and beyond that task, is finding the fourth jewel of the Belt of Deltora within the heaving desert of the Shifting Sands.

Dilan: In this book they leave the rat city. Now Lief and his friends go towards Rithmere. In Rithmere they play a game so that they could win money. Jasmine plays and finds her skill.

I connect this book to me because when I play a game I find something about myself. I find my skill and special ability's. That is why I can connect to this part of the book. I'm sure that other people can relate as well.

Like the last book I didn't get so into the book. I barely finished it. The first book was the best. I need to read the books again more clearly. I gave it two stars.

Marchel: Cerita keempat tentang petualangan Lief, Barda, dan Jasmine dalam menemukan 7 permata Deltora yg direbut Raja Bayangan dan disebar serta disembunyikan di 7 tempat paling menyeramkan di tanah Deltora.

Di cerita ini, kita mengenal daerah tengah ke utara dari negeri Deltora. Kota Rithmere yg mereka datangi ternyata sedang mengadakan Sayembara Rithmere. Mendapatkan sekutu tak

terduga, dan hasil Sayembara yg tak disangka.

Bunda Brightly yg begitu mereka percayai ternyata merupakan anak buah Raja Bayangan, yang menyuplai tenaga-tenaga baru untuk bertarung di Arena Bayangan di Negeri Bayangan.

Itu belum semua. Mereka harus mempersiapkan diri menghadapi penjaga misterius dan menyeramkan yang menjaga batu permata Lapis Lazuli, batu permata ke 4 dari Sabuk Deltora.

Teka teki aneh dan tak tampak seluruhnya di papan di pintu masuk gurun pasir bergeser, yang menyiratkan adanya penjaga permata Deltora yang sangat menyeramkan:

Akankah Lief, Barda, dan Jasmine mampu merebut kembali Lapis Lazuli dan meletakkannya kembali ke Sbauk Deltora?

Lu: i believe this is often my least favourite e-book of the sequence so far. It used to be so weird, how the writer stored hinting on the entire bee/sand thing. i discovered it particularly confusing, up until eventually the writer defined it. even though the event before everything of the booklet was once awesome. and that i particularly do ask yourself approximately Doom. Who the heck is the dude? And cross Jasmine for kicking his butt!

Katie Watkins: i assumed this one used to be the main severe and adventurous ebook of the sequence so far. My teenagers relatively loved it (I learn it aloud) and desired to learn a growing number of each one night. The artistic characters and occasions relatively bring about a few enjoyable imaginings and discussions. watching for the following book!

Mckinley: Engaging. nice tone and pace; sufficient motion to maintain issues going with sufficient conversation to fill out characters. I loved this sequence greatly.
