Description

The definitive memoir of Arthur Miller—the famous playwright of *The Crucible*, *All My Sons*, *Death of a Salesman*, *A View from the Bridge*, and other plays—*Timebends* reveals Miller's incredible trajectory as a man and a writer.

Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman* and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe's final film.

This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

"In *Timebends* Miller writes about her poetically enough, but Marilyn, his conception of Marilyn, rarely comes across as a real person. She is still a muse to his words, almost thirty years after their break-up and her death. Perhaps that is all she really ever was to him."

It used to be a privelige to listen to of a long time prior and all of the difficulties that went with it. I initially obtained this booklet 20 years in the past yet in simple terms obtained to web page one hundred, now being older it holds me a long way more, what appeared an odd play comparable

to 'Salesman' now turns out very relevant. additionally the movie 'The Misfits' with Huston is an absolute 'must' and the movie 'A View from the Bridge' Dir Sidney Lumet is outstanding. For a Limey his writing will be below easy, yet hearing him on youtube makes him a lot more uncomplicated to read. i ended the booklet yesterday, he permits you to down effortless on the finish and simply are looking to give it some thought now for a number of days more. As numerous ppl have said right here its like having the grandfather you by no means had. i admire his sort and delivery, can get a section tough every now and then yet however you're within the corporation of a 'big man'.

Ian Banks: Mr Miller isn't really one among my favorite writers yet this might must be one in all my favorite books: he's great on existence among the wars and the way it affected people, particularly whilst compounded through the Depression. He talks little or no approximately writing yet what he says is fascinating. the fashion he makes use of in retelling his existence is great: he starts off on one topic, digresses onto a similar tangent then is going again to the unique topic and typically digresses to a different tangent for an epilogue. constantly interesting, nonetheless suitable thirty years after publication.
